Dear Ms Standby.

Madison County wastewater utility service has been passed to the Jackson Energy Authority for approval of requests to provide wastewater service outside JEA's area of operations.

JEA states that:

1. A bond is required. The bond is set at the actual cost of construction after plant is ready to place in operation.
2. There is no bond prior to completion of plant.
3. The bond amount is equal to the actual construction cost.
4. The bond is required for the duration of operations.
5. There are no exemptions to the bond requirement.

Sincerely,

A handwritten signature in black ink, appearing to read 'Jerry Gist'.
